

REMARKS

Applicants have carefully reviewed the Advisory Action mailed June 14, 2010 and offer the following remarks to accompany the above amendments.

In the Advisory Action, the Patent Office indicated that Applicants have not responded to the objection to claims 55-57 directed to a computer-readable medium. In order to address the objection, Applicants have amended claim 55 to clarify that the claimed computer-readable medium is non-transitory. As such, the objection should be withdrawn.

The present application is now in condition for allowance and such action is respectfully requested. The Examiner is encouraged to contact Applicants' representative regarding any remaining issues in an effort to expedite allowance and issuance of the present application.

Respectfully submitted,

WITHROW & TERRANOVA, P.L.L.C.
